State Championship																
Low Points System																
RRS A5.3 Applies																
- Score for DNS, DNF, RET, DSQ = Number of competitors + 1																
- Score for DNC = number of registered boats as at 31 October + 1																
7 Competitors																
Low Points System as for State Championship																
Handicap Adjustment																
First - Subtract 5%																
Second - Subtract 2%																
Third - Subtract 1%																
Handicap Calculation																
Handicaps are calculated from true handicap result from the first 2 races finished for the season.																
The result is applied to the first race sailed and handicaps are then adjusted according to the formula above.
